Four year old race and many top horses. **1 Global Adventure** has always been one of the best horses of his year. Has twelve wins in 18 starts and earned more than three million SEK. He got a defensive run in the seasonal debut and could lead this from start to finish. **5 Admiral As** showed the right attitude as a three year old and has not lost yet when avoiding a mistake. Won the last seasonal debut and trotted really well. **8 Golden Dream M.E.** is a Norwegian top horse. Comes from a very nice victory in the seasonal debut. Challenger. **7 Jason's Camden** makes his debut in Sweden and should be considered too.

Four year old race for cold blood horses. **8 Tekno Jerven** is on the way up and has scored two nice wins lately. Good chance without a mistake. **6 Bäcklös Uriel** won both the elimination heat and the final of Kriteriet last autumn and was improved. Will be interesting to follow this season. **5 Alfa Lina** was the best three year old filly last season. She has been matched against top horses in Norway too. Early choice. **4 Byske Philip** can finish strongly and we think he will have a great season this year. Warning.

11 Everest Sisu was allowed to dictate the pace in the lead in the last run and won easily. He is poorly drawn this time but will probably get an offensive journey this time. **4 Findus M.** has got a better number than the favorite this time. Has one run under his belt too. Interesting. **9 Matter of Fact** is a nice trotter who will be interesting to follow in Sweden. On the way up. In the mix. **5 Selma Töll** won in the V75 last autumn and she can open fast. Should be considered.

Two horses are a bit better than the rest. 7 **Very Charming** will be hard to beat without a mistake. In the last run in Gävle he won after an offensive run and showed great strength. This long distance is an advantage. 11 **Solitary Champ** has developed well lately and become more reliable and consistent too. Main challenger. 6 **Rossa Regina** did well on Gotland last summer. Seasonal debut and an outsider here. 10 **Blue Star Cantab** could cause an upset if he is as good as he showed in a couple of races this winter.

7 **Minnestads el Paso** has been competing in Paris this winter. Has put in several good efforts and been improved. Got locked in two starts back and finished strongly to third in the race after. Good chance. 3 **Ebony Boko** is a good short distance runner. Is well drawn and will probably find the lead here. Will run without shoes again and will not be easy to reach. 8 **Hill Street** has not had his breakthrough in Sweden yet but met tough horses as a four year old last season. 1 **Jefferson Dotcom** is in great shape and could get a perfect journey with this number.

9 Tangen Haap had a great spring last year and won Elitkampen too. Started this year really well with an easy victory in the last seasonal debut. Good chance. 12 Pydin is tough but needed the last seasonal debut outside of our favorite. Certainly better now and early choice. 15 Steinfaks has convinced in several races in Sweden. Never got a real chance in the last run and faces tricky conditions here. Outsider. 8 Björs Frej can finish strongly but needs a nice defensive run from behind.
