12 Margareta Tooma showed good skills already as a three year old and she has put in two more good efforts this season. Is developing well and can finish fast. Early choice despite this bad number. 5 Tinten has two runs under his belt after a long pause. Is on the way up and will soon win again. 3 E.V.Mici galloped directly in the last start. Has put in many good performances lately and can do it tough too. 11 Grevin Sisu showed good capacity as a three year old. Outsider in this seasonal debut.

3 Cala Mayor de B. won the debut as a two year old and impressed. Showed good speed and looked nice. Scored another victory before the winter break and will be very interesting to follow this year as a three year old. 7 Another Lucky Day has shown good speed but is a bit tricky too. Run in the lead in a quick pace two starts back and is improving. The right distance and will get an offensive run again. 2 Emma Rae showed good speed in the last short distance run and came in second. Faces nice conditions here and can finish fast. 9 Janie Jones won a race as a three year old and has a couple of runs under her belt after a pause. On the way up again.

2 Yankee la Vie showed good skills last autumn and won also a race in the lead. The Per Lennartsson stable is on the way up. Nice task here. 5 Ready Doc is strong and in the last run he fought well in the lead to a close defeat. Can do it tough too and he belongs to a stable in good shape too. 3 Charles du Sud finished last season really well and scored a nice victory on Solvalla. Should be followed directly in this seasonal debut. 7 AmazingSurpriseNO scored a sensational win for the new trainer in the last run. Finished to victory despite a mistake and should be even improved by that start.

7 Manuzio Hanover had a good season as a four year old but can do even better. Is good for this low class and has very good speed for this company. Debut for a new trainer and our pick in this seasonal debut. 10 Iron Creek has won half of this year's starts so far. Has put in a couple of good efforts but been up and down too. In the last V75 race he got locked in. Early choice. 9 Jas finished really well in the last run. Was improved without shoes and deserves a victory soon. 2 Eddy West can open fast and did well in the last seasonal debut.

6 Djokovic started very well as a three year old and made it to Kriteriet as well. Galloped there and made a mistake in the seasonal debut too. Without a mistake he is probably simply the best here. Top chance. 8 Avena Jet was also successful as a three year old and so far she has been at least third in all ten starts but one. Interesting seasonal debut here. 1 Frankenstein Am did not trot well in the last run and galloped in the final turn without being empty. On the way up. 11 Mas Capacity came back really well after a mistake in the last run.

6 Mister Niky is really good when he is fit and he has almost won half of his starts. Has recharged the batteries after a start in Belgium in January. Our winner. 5 Gladiateur has been competing in several countries and shown good skills. Is quick and consistent and should be considered early here. 9 Dexter Brick improved a lot during the autumn and finished to an easy win at the end of the year. Seasonal debut now but can finish fast. 12 Vichy Grif is really gifted but needs to put in a very good effort with this bad number. Outsider.
