9 Mary Am makes her debut for the Robert Bergh stable and is interesting. The three year old daughter to Muscle Hill qualified already last autumn and is certainly well prepared here. 4 Cristal Medallion comes from a qualifier. Debut here and the Nicklas Westerholm stable is on the way up. 3 Ultralight has two runs under his belt which is an advantage towards the inexperienced opponents. On the way up. 2 Underbarosåfin showed good speed last autumn in the qualifier as a two year old. Interesting debut. Should be considered.

Ridden race. 6 Alviano has won both under the saddle and in the last sulky race. He has become more reliable and is strong for this class. Our pick. 1 Whynot Me likes to race under the saddle. Has only one win though but seven second spots. Does not always show the right attitude. 10 Dolly Style won a ridden race on Solvalla in February after a run from behind the leader. Early choice in this field with a similar performance. 7 Gurra Knight has been improved in this discipline. Outsider.

6 Lass Caviar has been tricky lately but he is good for this class and scored four wins last season. Easier opponents now and in the mix without a mistake. 8 Miskos Caprea was clearly beaten in the last V75 race. Is in good shape though and set a new record in the last run. 3 Notch was just closely beaten from outside the leader in the last run. Quick starter. Should reach a nice position directly. 1 Yuppie Yolie can open fast behind the gate and is an outsider with this nice number.

1 Dyrgripen is ideally drawn. Put in a good effort from outside the leader in the seasonal debut. Has one run under his belt and could lead this throughout. 8 Ohio U.B. has become tough and scored three wins last season. Has earlier done well together with Rikard N Skoglund. 5 Juliana Rags won in the lead two starts back in home country Norway. Should be considered early in this company. 7 Ten C.C.Face won directly for the new trainer two starts back and has been improved. Possible.

Mediocre race. Two horses are a lot better than the rest. 4 New Direction won two races as a three year old and Per Linderöth has recharged the batteries this winter. Very nice task in this seasonal debut. Likes to run in front. Hard to beat. 8 Gala Shadow was second in Bollnäs after a tough journey and really brave. 2 Listas Alice has scored a couple of nice wins this winter. Needs a perfect defensive run to be at her best. 1 A Peptalk can do better than shown at the end of last season. Outsider.

10 Buska Blyg won four races last season as a three year old and showed really good skills. Is by far the best horse in this company and should have top chance without a mistake. Is driven by Robert Bergh now. 3 G.G.Ojjdo has done almost everything right for new trainer Tomas Pettersson and five wins in six starts for the new trainer is impressive. On the way up but still a bit inexperienced. 5 Slotts Pila has done well this winter but this number is tricky. Will probably get a slow start here. 12 Kut Melvin has put in two good efforts after a pause. Should avoid a mistake here. Outsider.

Small field but several good horses. 2 Shocking Superman scored a couple of great wins last autumn. He is matched for the bigger races this year and has been working well before this seasonal debut. Top chance. 6 Weekend Fun uses to compete in the V75. Showed good form in the last run a bit behind the winner. 7 Super Zantos has looked nice for a while and was just closely defeated two starts back after a defensive journey. 1 Kovras So Far run a good time in the seasonal debut in France. Has one run under his belt now and can open fast.

9 **Let's Go Ernie** won in the debut for his new trainer two starts back and was even better in the last V75 race on Bergsåker second up. Is developing well and should be considered very early in this company. 8 **Aperfectdream** is a top horse for this class and he looked splendid in the last qualifier. Should be considered directly in this comeback. 4 **Pleasure for Cash** has always been working well but on track he has not been reliable. New trainer and interesting start. 3 **Axl Brown** has got a break due to a cough and the form is a question mark. Likes this long distance.

1 **Rutbo Roffe** scored a good victory in the last run after an early lead. He likes both the lead and the short distance and without a mistake he should have a good chance again. 2 **Haga Bruden** likes these conditions too. She has been consistent and good. Early choice. 8 **Thess Prinsen** kept up the pace well against tough opponents in the last V75 race. Finished to an easy win before that and this short distance is an advantage. 9 **Norrbo Odin** has looked nice this year but been a bit unlucky. Came back well after a mistake in the last run. Very interesting here in case of quick pace.
