Auto 1640

3 Awesome Kronos is a bit tricky but he is our winner here. Is better drawn than the main rival and he comes from a nice second spot. 7 Brunello Hall won easily in the last run and is good enough to challenge with the right journey despite this poor number. 5 Qixi Roc was good in the last seasonal debut and should be improved by that run. Outsider. 6 Bo Diddley resumes from a spell. Is better than the latest results sow and should be considered directly.

8 Färsta Vilma won despite a mistake shortly after the start in the last run. Has good speed for this class and could score the third win of the year here with the right journey. 9 Kalltekla is interesting in this comeback. The horse has not raced since October last year but showed good speed as a four year old. 13 Nebbenes Solan was brave in the lead two starts back and came in second. Is good from behind too and should be followed here. 3 Slotts Lena gave up from outside the leader in the last run. Is not bad and could be an outsider here.

13 Young da Vici is strong and likes the long distance. He faces nice conditions moneywise and is an early choice here despite this 40 meter handicap. 1 Enge Eros is in good shape. Will go for the front here and dictate the race in high pace. Could lead this throughout. 5 Kalashnikov galloped after one lap in the last run but came back well. Is in good shape and should be considered early here. 10 Oilsheik comes from a good win. Tougher conditions this time but should be followed.

4 IdreamIcanfly likes the short distance but is a bit up and down. Is well drawn behind the gate now and has a good chance to win if she is at her best. 2 Run a Mile won the last elimination heat on Lindesberg (first victory eve) but was not as good in the final. Nice number. Contender. 6 Twinkle Face is better than the latest results show. He showed 13.5/2600 after an early mistake in the last run. 10 Hankypanky Peyton has not convinced so far this year. Is probably the best horse here but has to show it first.
