12 Castashadow found the lead directly in the last run and won very comfortably after dictating the pace. Tougher task today but has certainly more to give. Our winner. 2 King Richard failed in the last race after a layoff. Should be improved and has scored his only win so far over these conditions. 4 Bright Light is not bad for this class and will be ridden by Carlos Lopez. Possible if well prepared. 1 Sharp Eye is in quite good shape and has got an interesting number here. Possible.

7 Everest Voice has not been at his best lately over longer distances. Scored a really good wins over this distance though in 2000 Guineas. Our pick. 5 Hot Bagatelle won Altamira race and scored a very comfortably victory after that in a handicap for three year old horses. Nice conditions today and the import is the main challenger. 4 Globemaster comes from a nice fourth spot in Breeders Trophy Classic. Dirt today could be an advantage. 1 Den Of Thieves has four straight wins on this surface before the starts on turf. Early outsider.

6 Mirach scored a sensational win in the Swedish Championships for two year old horses and was third after that in Breeders Trophy Juvenile. Has to be considered early with a similar effort. 3 Rubinstein was beaten with two lengths by Mirach two starts back but was as good as him in the race after. This longer distance is an advantage. Main challenger. 1 Donna Devarona comes from a good debut a couple of lengths behind Purple Ace. Is certainly improved now. Early choice. 2 Atlanta was just beaten with half a length behind Mirach in Breeders Trophy Juvenile. Possible.

2 Iffany Crow was second in the seasonal debut behind Queen Rouge in Breeders Trophy Mile and showed good form directly. Should be even better now and is our pick in this otherwise tricky Gold handicap. 9 Von Blucher showed good form in a tight battle in Bro Park Sprint Championship. Early choice here even if this distance is a question mark. 4 Nordic is in quite good shape and should handle these circumstances. The chances are not easy to predict though. 8 Manassas is in great shape and these conditions are perfect again.
