7 Global Black Money has been at least third in five starts so far. Tricky number now but on July 23 she showed that she can open fast. Our pick. 10 Jes Angel has not won yet but made it to the short E3 final in August. Tough and will go around many opponents here. 8 Blossom Kronos is getting better and better. Tricky number but should not be overlooked here with the right journey. 2 Very Gone Face scored a very nice victory on July 24 and is ideally drawn behind the gate here.

12 Love No Pain won with this number over this distance in the last run. Faces similar opponents here and should normally have a good chance again. 2 Bicc's Avalon is good enough to win this but the form is a question mark as he has not races since July. Contender. 6 Valle E.W. galloped directly in the last start. Met V75 opponents in the race before. Early choice in this company. 9 Temporino had a good season last year with four wins in 14 starts. Could get a nice defensive run here.

3 Break Through has galloped lately but she is speedy. Nice number and if she avoids a mistake she should have a good chance here. 2 Aurora Borealis tried to make it to Stochampionatet in the last run. Met too good opponents and resumes from a spell now. Early choice. 1 Juvelens Miss F. has been consistent and good lately. Will get a nice journey here and is possible with some racing luck. 11 Gloria Sisu got locked in with energy left at the end in the last run despite an early mistake. Interesting now with Ohlsson.

7 Dark Roadster got a tricky run in the last start and scored a good second spot. Is consistent and good and faces nice conditions here. 3 Bunch of Budgies finished well to third and will certainly get a good journey with this number. He should be considered early behind the favorite. 10 Captain My Captain scored six wins last season but has not been as good this year. Is good enough to be in the mix here. 15 Majet af Djupmyra is better than the latest results show and is one out of many outsiders.

7 Bokli Rapp galloped in his comeback two starts back but showed good capacity in the last run. Should be on the way up and is our pick. 8 Månremus is consistent and good. Is poorly drawn here but should be considered early anyway. 4 Valle Hugo is a bit up and down but good for this class. He should not be overlooked. 5 Hugo Bäck won a V75 race in August but has not convinced after that. With some racing luck he is good enough to win this.

3 **Whelk** was a bit fiery in the lead in the last run and gave up over the long distance. One lap shorter this time and the horse has seven wins in 27 starts. 4 **In Love Boko** met too good horses in the V75 in the last run. Was good from fifth on the outside two starts back. Could go around many opponents here. 2 **In Line Tooma** is ideally drawn over the right distance as he can open really fast. Won in the lead on September 3 and could do so again here. 8 **Västerbo HighScore** showed good form in the last run. Should not be overlooked here despite this number.
