2 Linus Boy used to compete in the V75 as a five- and six-year-old and won several times then. He has tested a new discipline this season and two starts back he scored a very good victory under the saddle. 3 Weekend Fun won the debut in this discipline in March after a very nice final lap. Short distance again and the seven-year-old should be considered early. 1 Coogan is gifted and interesting in this debut under the saddle and the first start for a new trainer too. 5 Clemenza Am resumes from a spell and is an outsider here.

2 Kavatosåfin has done well lately and is our pick here. Two starts back he had to open very fast to find the lead and gave up at the end. He comes from an easy victory in the lead. 8 A Nunja Kid never got a real chance behind the leader and had energy left in Årjäng sixth up. He was second in a new record in the last race and got defeated by a really good horse. 4 Otto Håleryd won the debut and after that he has been improved time-wise for every start. 7 Created by Eve had energy left two starts back.

10 **Booze** was poorly drawn in the debut for a new trainer in the last race and had to come from far back. He finished well on the home stretch to a fourth spot and could go around all opponents here. 4 **Hazard In** started only once last year and came in eighth then. He has done better this season and after two good efforts in March he was second in the lead in the last race. 6 **The World is Mine** opened fast to the lead when he won in the beginning of May and in the last race he finished to victory in Rättvik. 5 **Money Smile** has two runs under his belt this year and should not be overlooked.

They are our pick here. 3 **Chestnut Bojje** has scored two easy wins in the lead lately. Three out of the last four wins were scored over the long distance and he should put in a good effort here. 4 **Marre's Dreamboy** finished well in the last race and with three runs under his belt this season he should not be overlooked. 2 **Versace Face** has started once over more than three laps and then the horse won.

5 Cash Cowboy has developed well for Peter G Norman. Can open fast and won in the lead in the V75 two starts back. Looked really nice in the last V75-final too but got locked in. The horse to beat. 6 Moses has very good capacity but is up and down too. He is really good for this class. 3 Young King won directly in the debut for his new trainer in the last race. Is up and down too but really good every now and then. Has one run under his belt now. 12 Gooner is gifted but he has not really been at his best lately. Should not be overlooked here.

10 Månlykke A.M. has been outstanding in four starts this year and crushed his opponents in an impressive way. He is still on the way up and has top chance here despite tough handicaps. 6 Mo Sjur is getting his breakthrough and has started really well for new trainer Joakim Elfving. Challenger. 4 Ard is fast but new for this class and has to set a new record here. Has shown good speed after mistakes lately. 7 Nordby Frøy looks nice after a long pause. He prefers defensive trip and is fast then.

1 Margareta Tooma did not win a race last year but has two out of two this season and in the last debut for Daniel Reden he put in a remarkably good performance. Very interesting here against tougher opponents now. Our winner. 15 **Ies Elisabet** finished well from far back to a V75-win in the last race. She has very good speed and with the right trip from the back she should be considered. 13 **Gitte Silvåkra** has already scored four wins this year and in the last race she came back really well after a mistake. Good driver and early contender. 3 **Global Benefit** got a perfect trip in the last race but showed good form too.

5 Santos de Castella has won all races this year when avoiding a mistake. He has impressed and seems really good for this low class. Our pick. 4 **Haitkin Am** wins often too and has seven victories in eight starts so far. Baptism of fire here. 6 **Kissinger Boko** has started this year well with two convincing wins. Has not met this kind of opponents but will be interesting to follow here. Chases the front. 9 **Fighter** has been very consistent and good lately. Is strong and all-round. On the way up.

4 Bitcoind' Arc started this year with three wins in a row and was really good for new trainer Timo Nurmos. Has recharged the batteries after the last Kungapokalen elimination heat. Will get an offensive trip. 9 Gogobet Sisu is strong too and likes the long distance. He can do it tough and could challenge when avoiding a mistake. 11 One Kind of Art wins often and will hopefully get a less tough journey this time. He should not be overlooked here. 5 Don't be Weak comes from a very tough victory from outside the leader. Is in good shape. Outsider.

3 Upstate Face is new in this class but he comes from victory in a V75-final after a very good finish. Scored a very nice win in the lead in the V75 on Halmstad and is in great shape. 4 Van Gogh Z.S. won very easily in the lead in the last race and when he is at his best he has very good capacity. He has earlier been successful together with Per Lennartsson. 1 Beartime can finish fast and with this number one he could get a perfect journey especially in case of fast pace. 10 Even's Cool Boy scored a splendid victory in the V75 on Umåker. He is often injured but really good for this class.

8 Hail Mary was the best four-year-old horse last season and is on the way up again with a couple of runs under his belt. He was really brave in the last race and second and only closely defeated by Don Fanucci Zet (the winner of Elitloppet this year). Good chance despite this poor number. 3 Missle Hill is reliable and won the last Golden Division race in the lead. Should be even better now and is an early contender. 1 Wild Love caused an upset in the last Harper Hanovers race on Solvalla and finished very fast to victory. Could get a perfect defensive trip now. 9 Vernissage Grif got an offensive journey in the last race and kept up the pace strongly to a third spot. Outsider here.

Good chance. 3 Tallmons Wiking set a new record in the last race and has developed well for Robert Bergh. Challenger. 11 Mjölner Apollo needed the last race after a pause. Is good for this class and has one run under his belt now. 1 Zibor is well drawn and could lead this for a long while. Magnus A Djuse is an advantage.
