7 Swisha has started well for new trainer Westholm. After two straight wins she galloped in the final turn in the last race outside of the leading duo. She was under attack then and had energy left. Our pick here. 1 Jewel River has got a tricky number but is good for this class and started her career with three wins in four attempts. 10 You to Racer uses to meet quite tough opponents and can finish really strongly. 5 First Date won despite a tough journey in the last race and this driver is a big advantage.
