4 At First was really nice in the lead in the last race and scored a convincing victory at the end. Is well drawn and should have a good chance in the lead. 10 Heavenly May will not be easy to defeat though in case of quick pace. The horse has done well in the V75 and in the last race she got locked in with plenty of energy left. Warning. 5 Cobbys Nana is probably the best horse but she has been a non-starter twice after the last race and the form is a question mark. Dangerous if she lives up to her capacity. 2 Platinum Tile was very slow in the last race and not at her best. Showed quite good form before that. Possible but needs some racing luck.

7 Robthebank galloped in the debut but came back well after that. Was close to make a mistake on the home stretch in the last race but handled it. Has good capacity. 1 Illuminati K.W. galloped in the last race but showed good capacity before that. In the lead he should be considered early. 9 Moon on Baroda met very tough opponents in the last race but finished well anyway and the horse should be followed in this company. 12 Sixten Roc needs some racing luck to win this but Nurmos is pleased with him. The horse was brave from outside the leader in the last race.

9 Bol Brage is strong and has very good speed too. Faces quite easy opponents here and is great shape. Won easily in the last race. Early contender. 1 Björlifanner galloped with one lap to go in the last race but came back well. Interesting number now and should not be discounted with the right trip. Is in good shape. 2 Höstbo Elis won easily two starts back and looked nice. Came back strongly after a mistake in the last race. 3 Rutbo Roffe put in a great comeback earlier this season and finished well then. Got an impossible journey in the last race and we forget that start.

6 Love Affair is our winner in this race. The horse was outstanding on Solvalla on April 14 and looks nice. Will probably be allowed to take over the lead here. 5 Livenletdiefor'em is gifted but has convinced at all lately. Won five starts back and needs a good result here. Is certainly well prepared. 1 Wilma Vici seemed in great form in the last race and showed 13/800. Perfect number and could cause an upset with the right trip. 3 Estelle Godiva challenged a really good horse in the last race and was brave. Can open fast and should be considered early behind the favorite. Is in great shape.

1 The Engine is in good shape and won easily in the last race. Has good capacity and will be hard to defeat in the lead. 10 Zinco Jet is the best horse in this race but has failed lately. Long distance now and might be improved. Possible here but needs some racing luck. 6 Carlos Messi won despite an impossible journey in the last race. Finished very fast to a close victory and put in a really good effort. 3 Bästa Sebbe is developing well and in great shape. Won two starts back and put in a great effort. He is possible if the best horses would not be at their best.

2 Hazard Boko put in a great effort from outside Heavy Sound in the last race and that performance was definitely Elitloppet level. Has developed really well and will normally win this. 4 Coin Perdu comes from a good win and looked really nice again. Tougher opponents now and could get a tough journey. Main challenger. 6 On Track Piraten is 13 years old but still going strong. Can finish fast with the right trip and will find it hard to win this. Comes from a performance under the saddle. 10 King on the Hill might run without shoes this time and the horse has good ability. Needs very tough pace here to be in the mix.
