2 Classichap has not convinced lately but been matched against very tough opponents. Much easier opponents now and interesting under the saddle. Normally he will win this. 9 Patent Leather is nice and will be interesting to follow here. Finished well two starts back and had to open fast in the last race. With the right journey. 3 Etna B.R. got a trip from third on the inside in the last race and scored a good third spot. Nice number here. Place chance. 6 Longcat Hanover got a trip from far back in the last run but finished well at the end to a second spot.

6 Champstile opened fast in the last race and found the position behind the leader. Looked really nice during the whole race and finished well on the home stretch. 1 Difficult Ways can open fast and is ideally drawn for a defensive trip. Did not trot perfectly in the last run but kept up the pace well. 2 Sue won two starts back in a nice time and showed great form. Did well in the last race too. Perfect number and will challenge with some racing luck. 7 Peaceful Tile showed very good speed to win two starts back. Finished well in the last race too and is in good shape. Poor number.

2 Calhoun was outstanding in the last race and won very easily. Looked great and with a similar effort he will be hard to beat here. 11 Charleston Volo met very tough opponents in the last race and did well. Opened very fast to the lead and was good even if he got tired at the end. 9 Janko S. won very easily two starts back and is a nice trotter. Good number for a defensive trip here and with the right journey the horse can finish strongly. 12 Thai Harlem won very easily in the last race and had energy left at the end. Is in great shape and can do it tough.

Volt 3140

12 Kick Off Classic competed in a V75-final during the Elitloppet weekend and did alright. Is tough and should be considered early. Our pick. 14 The Last Ticket faces tougher opponents here but a horse with ten wins out of eleven attempts this year should of course be considered early. 2 Ian B.R. has been very consistent and good lately. Can open fast and this distance should not be a problem. 15 Zelov has a couple of runs under his belt for the new trainer. Should be on the way up. Was second in the Derby so this distance suits him well.

9 Staro on the Rocks was simply the best in the last race after a trip from outside the leader. Nice task again and good chance to win this. 7 Orlando G.M. was at least third in 14 out of 18 starts last year. Seasonal debut now but he should be considered early again. 2 Dan Mølgård scored an easy win from second on the outside in the last race. Is well drawn behind the gate again. Place chance. 8 Hat Trick is better than the latest results show. Did alright from outside the leader on May 5 and should not be overlooked here despite this number.

10 Odd Herakles convinced a lot in Elitkampen on Solvalla in the last race. Is poorly drawn now but we think he will fix it and score the seventh win of this season. 9 Lome Brage comes from a good fourth spot on Solvalla. This back row draw is a big handicap since he can open fast. In the mix anyway. 3 Ulsrud Tea is a 14-year-old mare and still going strong. Could find the lead here and chases victory number 96 in her career. 4 G. Jerken has three straight wins. This distance is not an advantage but he could be in the mix with the right journey.

7 Elegant Ima had a great season as a three-year-old with seven wins in eleven starts. He has not raced for a while but is our pick directly in this seasonal debut. 5 Hennessy Am got a trip from outside the leader with one lap to go in the final of Kungapokalen and was brave. Early contender here. 9 Bubble Effe did not have enough starting points to make it to Fyraåringseliten on Solvalla. Is good for this class and has to be followed. 6 Custom Cheval has got one run under his belt now. Outsider with the right journey.

10 Sofies Case wins often and has six victories in seven starts this year. Won in the front in the last race and could find an early lead again here. Good chance. 7 Rexine has not raced since February and the form is a question mark. Is good for this class though and has to be considered. 6 Graceland E.P. has two straight wins and is in good shape. Tougher opponents now but possible anyway behind our top duo. 11 Ilenna Bonanza is consistent and good. Got defeated by an opponent who had got a nice defensive trip in the last race. Outsider.

1 Zaffiro Jet found the lead with this number on March 6 but gave it away and won on the open stretch. Will go for the front again and this short distance suits him well. Our pick. **8 Calina** got an inside trip in the last race inside of choosing the position outside of the leader. She needed that race after a pause. Early contender despite this number. **4 Marvellous Tooma** has not convinced for a while and the form is a question mark. Is very gifted and as a three year old he won an elimination heat to Swedish Kriteriet. **10 Strong Pepper** resumes from a long spell. Outsider directly with the right journey.

3 Floris Baldwin was close to finish to a place in Elitloppet in the last race. Was not reliable behind the gate before that but without a mistake he could win here instead. **1 Bill's Man** got locked in with energy left in the last race. He is getting better and better and this number is perfect. **5 Hickothepooh** got locked in in his Elitloppet elimination heat. Prefers a nice defensive trip and has very good speed then. **2 Ferrari B.R.** was brave from outside the leader and came in second. Perfect number. Could cause an upset here.

8 Kræsj is promising and scored a really nice victory in the seasonal debut. He was not empty at all. Poor number here but we think he will fix it again. 7 Gentletron has been at least third this year in six starts. Did well from second on the outside in the last race and will be in the mix again. 5 Profit Tile has not raced since December. The horse had a nice season last year and was consistent and good. 6 Flash Gordon Sisu did not trot perfectly in the last race. Did well in the lead on April 2.

2 I.D. Exceptional got a tough journey in the debut but could score a good second spot. Should be even better now and is our pick here. 4 N.Y. Dignity looked nice in the qualifier one week ago. The filly is well drawn behind the gate and should be considered. 7 N.Y. King of the Kop is quite poorly drawn here but seems good enough to be in the mix anyway here. 5 I.D. Explosive opened fast in the last race but galloped in the first turn. If he avoids a mistake he is possible here.
