6 Luka Modric won two races on Umåker in April and in May he won in the lead in Skellefteå. Good chance to score a new victory here. Faces easier opponents than at the end. 2 Bottnas Impuls has got a new trainer this season and been at least fourth in five starts. Two starts back he finished well to second and in the last run he had energy left. 3 Axel Palema scored a good second spot the last time he avoided a mistake. Could be in the mix. 4 Fly Bird Fly finished alright in the last Skellefteå race.

6 Rickard af R.F. has been improved this year after a layoff. He was outstanding in the seasonal debut and in the last run he won in the lead in a new record. 9 Önnes Tekno was second in the debut and just closely defeated. Comes from victory on Bergsåker. Debut behind the gate here but should avoid a mistake with this number in the second line. Has to be considered. 1 Salah comes from a good second spot in Hoting. Seems on the way up. 2 B.W.Raz has not been reliable with the circular start. Starts behind the gate this time and that is interesting.

11 Emperor won from outside the leader in Skellefteå four starts back and scored a good third spot in the V75 after that. He meets quite easy horses here and is our pick. 6 Party Brodda can open fast and is an early contender in the lead. She has scored all wins together with the trainer. Has to be considered. 9 She's My Heaven has galloped twice lately. Was fourth after an impossible journey in Lycksele. Should be considered without a mistake. 12 Hercules Star would prefer quick pace.

1 Oryx Håleryd scored a good win in Östersund in April and finished well in three straight races after that. He showed good speed in between mistakes in the last run and is an early choice here without an error. Our pick. 3 Bourne Dominion parked outside of the leader in the last run and won comfortably at the end. He is quite good when he lives up to his capacity. Early choice without a mistake. 7 Xanthis Excalibur has done well for the new trainer lately and could be dangerous at the end. 6 Jerome di Quattro finished fast two starts back and should not be overlooked.

1 Il Capitano Mearas won comfortably in the debut on Färjestad last year after a trip from outside the leader during the final lap. Debut for a new trainer here and the well-bred four-year-old is our pick. 5 Rune Rigas was improved in the last race in Skellefteå. He won from behind the leader and is possible again with the right journey. 7 Laureen Boko finished well to victory in Bollnäs in June and should be considered. 2 M.T.Rihanna set a new record in the debut for the new trainer in the last race on Solänget. Is an outsider here.

2 Speedy Tilly finished well behind horses in the last run. Should be improved by that race after a long pause and is an early contender. 4 S.G.Charpentier has been unlucky lately. Two starts back he got locked in with energy left and came in fourth. In the last run he got an impossible journey and gave up. Early choice but needs more racing luck than at the end. 11 Walther på G. finished well to second two starts back and galloped in the last run without being empty. 5 Owen Face has been on the way up and should not be overlooked.
