3 Es Trenc has scored the last two wins in the lead and likes to run in that position. Perfect number behind the gate and good chance to lead this throughout. 11 Lord Horse likes the short distance and with a better number he would have had a good chance. Needs lots of racing luck now. 6 Charlock Wiking found room lately in the last V75-race on Årjäng and finished well. Good place chance with the right trip. 4 FromHeaven Idzarda is better than the latest results show.

5 McGarret has started five times under the saddle this year and won all of them. Is more strong than fast and should have a good chance again here. 3 Uncle Töll met tough opponents in the last run and did alright. Scored a nice victory under the saddle on April 30 and he should be considered early here. 4 Zlatan Knick comes from an 1140 meter-race under the saddle and won easily. Could find the lead here and is an early choice in that case. 7 Moses makes his debut under the saddle. Is fast and should be followed.

9 Pim Pim Joli was unlucky in the last V75-race but finished well when he found an opening. Scored three nice wins in a row before that. Our pick. 11 Miss Irma had a strong season last year and earned more than 600,000 SEK. Has not been as successful this season but is an early contender if improved. 7 Conrads Anette never found an opening in an elimination heat to Stochampionatet on July 15. Stands this long distance. 2 Diva Ravina met easier opponents in the last race on Arvika but looked nice. Outsider.

8 Mister Jupiter galloped in the first start but has scored two convincing wins after that. Comes from an easy victory finishing 13/1000. Top chance despite this tough number. 2 Landmark River got a tough journey from outside the leader in the last run and scored a strong second spot. Early choice behind our banker. 5 Jalapeno K. won comfortably in the lead in the last run and is on the way up. He is an early choice behind the favorite. 1 Giulietta will get a nice journey with this number one. Outsider.

5 Lord Boko resumed from a longer pause in the last run. Should be improved by that race and the horse has won five out of nine starts so far. Our pick. 2 Estrella Diamante has not competed a lot this year and was not at her best in the last run. Is good for this class and is well drawn behind the gate. 8 Asa Always Ready was poorly drawn in the last run and did alright. Bad number again here but should not be overlooked with the right journey. 12 Global Billboard was a bit slow but could win anyway in the last run. In case of quick pace the horse will defeat many opponents here.

7 Listas Marion did alright in the last V75-race. The horse has won ten out of 39 races. She could find the lead with this number. 1 Maestro Zon made his debut for a new trainer in the last run and did well. The Oskar J Andersson stable is in good shape. Early contender. 9 Equal to None is good for this class but the form is a question mark. Early choice anyway here. 5 Stepping Dreamboy should handle this number five. Is consistent. Place chance.
