2 Armani Press was sixth the last time he visited Boden but he has shown good form in Finland lately. With a similar effort he will fight for victory here. 4 Dickson Shadow scored a good win in the lead two starts back. He has one run under his belt for this trainer and is an early contender. 7 Lexington Tooma can finish fast from the back and could reach a nice position since there are just a few horses in the first circle. 3 Danilo Brick should not be overlooked if he avoids a mistake.

2 Mimmi Model won in Boden in May over the middle distance. This short distance suits her well and she has earlier been second and third in fast times over this distance. 6 Chocliq Bishop has scored two wins from behind the leader and one victory in the front. She could reach a nice position directly here. 7 Izumi Benois was very good when she won in November last year and is good enough to be in the mix. 4 Taiga Caramell has opened fast with similar numbers and should be followed.

5 Mr Charger has been at least second in the last five starts and won in May and June. He comes from victory in the lead and could do so again. 8 Shackhills Flash has five wins over this middle distance. He makes his debut for this trainer. Interesting. 6 Justin Web has earlier visited Boden and shown good skills. He won easily last season and has to be considered. 7 Jones Legacy came from far back in the last run but finished well.

12 Grappelli won easily in the lead in the end of May. He was a non-starter twice in a row after that but has two runs under his belt now. Good chance to finish to victory. 4 Ytowns Charmör did not convince last winter and spring but has been on the way up lately. If he finds the lead like he did two starts back he could score a new victory. 7 Backwood's Baddy won from behind the leader two starts back and with a similar journey the horse is possible again. 6 Livi Pablo H.M. was close to win three starts back.

11 Joker of Steel has started three times for this trainer and after two good efforts (third and second) he won the last race. He faces nice conditions money-wise and after a safety start he should have a good chance to finish to victory. 8 Yoshi Ness is eight years old but has been improved this season and is better than ever. He has to be considered early. 10 Mahatma Gee won from outside the leader two starts back and owns good strength. Is in fine form. 9 Bosse Bee has been on the way up lately and without a mistake he should not be overlooked.

Galloped in a tight situation in the first turn in the last run. 8 Soleil d'Inverne has put in many good performances this season and with the right start he has to be considered early here. 9 Gambling Face prefers to compete under the saddle but has earlier won in this discipline too and should be followed.
