3 Whitehouse Express won five out of nine races last year. Is classy and has the right attitude. Has met very tough opponents and should have top chance in this comeback. Banker. **6 King City** is a bit up and down. He was really good in a couple of races last season and is an early choice after a layoff. **9 Furious Francis** has one race under his belt after a layoff and did not impress then. He is really good every now and then. **7 Origo Tilly** finished well to a second spot in the last race and continued to show fine form.

9 Digital Performer comes back after a layoff now. He took two wins in a row at the end of last season and is our pick. He has won four out of eight races and won easily in the front on July 5. **2 Crazy Man Ås** broke in the debut but took a comfortable win in the lead in the last race. **11 Eddie Silas** is not reliable but has good pace. Early choice.
