6 Thorn Bird has not raced for a while and this post is tricky. But she is really good for this class and should have a good chance anyway here. Our pick. **8 Cut Him Some Slack** is in fine form and will fight for victory here with the right journey. **10 Mythology Bluechip** was clearly defeated in the last race and did not convince. Can do a lot better than that and is normally an early contender here.

11 Sambuco came back after a layoff in the last race but was really good directly. He got some help but looked very nice and should have a good chance again here despite this tricky post. **10 Unchained Feelings** has not convinced for a while but is gifted and she is an early choice too in this field. **6 Lexington Hall** has got an interesting post and could reach the front here. Early contender in that position.

5 Up North broke directly in the debut but in the last race she found an opening with 200 meter to go from behind the leader and took a nice win. She is on the way up and developing well. Will probably get an offensive journey here. Good chance. **3 Yukon Bay** was defeated in the lead two races back but won in the last race in the same position. Can open fast and is an early contender as well. **8 Riptide R.D.** has taken two wins in a row and is in great shape.

5 Swift Success won directly in the last race after a longer pause. Should be a lot better now with that race under her belt. Nice post. Good chance again. **9 Talapoin** has not convinced in two races this year. If she lives up to what she showed last season she should have a good chance here. **6 Calissa Rich** has met tougher opponents lately and become tougher.

9 Bear Arriba took the lead in the seasonal debut and could win easily despite high pace. She should be even better now and has a good chance again here. **8 Mellby Exotic** has been consistent and good lately and is an early contender here despite this bad post behind the gate. **3 Jula Menuett** could reach a nice position directly and is possible as well here.

4 Magic Gwin met tough opponents in several races last year and should be on the way up with one race under his belt. Has got a nice post and should have top chance to lead this from start to finish. **7 Radjah d'Inverne** is tough and can do a bit by himself. He is a bit up and down though. Early contender if the six year old is at his best. **3 Tiger Williams** has very good skills and is possible too here.
