

Race 4, V64-1

Volt 2140

7 Southwind Feji has impressed a lot this winter and she has taken 17 wins in 19 attempts so far. She will certainly meet much tougher horses than these this season. Top chance. Banker. **6 Double Exposure** won the last race of 2017 and is back after a layoff here. Has good pace but might need this race and will find it tough to beat our banker. **4 Lavidaloca de Vie** and **2 Sigel Doc** are also show bets here.

6 Quite Nice made her debut for Per Lennartsson in the last race and started really well. She won from far behind finishing 13/1000 and should be even better now. Good chance again. **15 Digital Juice** won the last race and was improved a lot. She took the lead after 500 meter and won easily. **5 Amina Crystal** can do better than shown lately.

1 Waffle Cone has taken four wins and a second spot in five attempts. She can open fast and has got a nice post behind the gate. Will certainly try to lead this from start to finish. **4 Dorinda** is tough and has shown very good pace. Might find it tough to beat our pick but is the main challenger. **6 Beautiful Bacardi** has two races under her belt now and is on the way up.

6 Frenchnorwegian ID took two wins in the lead but broke twice in the last race. The second mistake came with 150 meter to go and he was still fighting for victory then. Has good pace and should have a nice chance without a break. **3 Tellus Face** has been improved a lot lately and is developing well. Nice post. He should be considered early as well. **5 Count Forte** has been up and down and the chances are not easy to predict here. Has good pace though.

3 Lionel N.O. is an international top horse who has earned more than twelve million SEK so far. He has very good capacity but his form is a question mark after a layoff. The chances are not easy to predict. Good chance but not a banker for us. **8 Volstead** comes back after a pause too and will certainly need this race to be at his best. **6 I Love Paris** has one race under her belt and should be on the way up.

12 Pontiac S.W. came back after a layoff in the last race and is certainly a lot better now. This post is bad but he has good pace and should have a very good chance anyway. **5 Starforlife Palema** won the last race and was improved a lot. Could take a new victory here. **9 Royaldoodle** has got a tricky post but should be considered early anyway.
