2 Muscle Hustle has met tough opponents lately and is better than the latest results show. He has put in good efforts a bit behind the winner and is in good form. Could find the lead here. Hard to beat in this small field. 4 Monark Newmen is also very gifted. He has put in some good performances this season when being at his best. He can do it tough too and is one out of two horses with a good chance to win. 3 Unique Juni has not convinced lately but she is one of the better five year old mares in Sweden.

Ridden race. 3 Ajlexes Cubano has shown great form this summer and done well against tough V75 opponents too. Scored a comfortable win in the lead in the last run and meets easier horses this time. Good chance. 4 Kattens Chamsin has been improved under the saddle. Has been very consistent and good lately and is an early choice again. 7 Nakoda Goj has done well for Nicklas Westerholm. Very interesting here over this shorter distance now and in this new discipline. Warning. 1 Angry Bird Am is well drawn and will be ridden by gifted Sofia Adolfsson.
