4 Plata o Plomo scored a strong second spot behind German Wonnemond in Nickes Minneslöpning after an offensive run in the front. Should have top chance in this Peas And Carrots Mile. 3 Spitzbergen was only beaten with one length by Plata O Plomo in the last run. Good form. Main challenger. 2 Stricker was just closely defeated in Nickes. Will be ridden with blinkers this time. Interesting. 6 Be My Academy has five second spots in a row. This distance might be a bit short.

9 Ticano has the only win so far on the Örevoll dirt over these conditions. Was outstanding then and is our pick in this mediocre Bronze handicap. 1 Stormy Maison comes from a close win over these conditions. The three year old has not competed a lot so far and is still developing well. 8 Melissa Jordan won over these conditions in the last run. This apprentice claims three kilo off. Early choice. 3 Ching Ching Lor beat easy horses in the last start but should be improved too.

8 **Chocolat** is not a superstar but she is in good form and this 1200 dt should be perfect. Our pick in this Bronze handicap. 6 **Miss Uppity** uses to meet tougher opponents but prefer to run on turf. Early challenger in this mediocre company. 9 **Indika** stands tough weight and these conditions are perfect. Early choice in this field. 1 **Excellent Dart** has been matched over the middle distance lately without having big success. This shorter distance is an advantage. Outsider.

6 **Back Door Man** showed good form in the last start in Gothenburg. This longer distance should be an advantage. The British import is our pick. 4 **Ascot Hill** did really well last season but has not impressed so far this year. Belongs to a stable is great shape. Should be considered early. 1 **Rosa** faces tough weight conditions but she faces quite easy opponents here. Was good as a three year old and is a possible outsider i she handles this surface. 9 **Half Tiger** is up and down but could beat these opponents if he is at his best.
