11 Guli Roy has looked nice after castration and done well in two starts. Challenged a very good winner in the last run but broke on the home stretch still fighting for victory. Would otherwise have set a nice record. Chases revenge here. 12 Gott Klirr has developed well this autumn and did well in the last run on a new record. Won the last time he visited Umeå. 10 Guli Major is not reliable but finished to victory in the last run despite a big mistake. Should be followed. 8 Bäcklös Tamlin is fast but tricky. Came back really well after a mistake in the last run and showed great speed.

9 Mofaksan has shown great autumn form again just like the last couple of seasons. She has three wins in a row and impressed a lot. She has been competing against fillies and mares lately and faces nice conditions again here. Ove A Lindqvist is an advantage. 10 Ugglä i Mossen was second behind the favorite two starts back. She has not won yet this season but seems in great shape and is good enough to challenge our pick. 8 Katla Kiro likes this time of the year and has been improved lately. Possible. 2 Forspärla won in the lead in the last run and could be tough to beat in that position today as well.
