5 It's My Boko scored the first win ever in the last run and it was certainly not her last. Short distance again and nice number. Could find the lead here. Good chance. 2 Made in Sweden has not raced for a while and the form is a question mark. Has good pace and is an early choice here. 3 Borups Racing looked nice in the training on the track last week.

7 Quite E.Wood had been a non starter before the latest run and should be on the way up. He finished well from far behind and showed 12.5/800. Faces mediocre opponents here. Good chance. 9 Belle Godiva has galloped in the last three races and is not reliable. Has good skills though. 3 Kirby Sanna finished well from behind in the last run. Attacked with 500 meter to go. 6 Hessel B.Rapida is up and down and the chances are not easy to predict.

9 Target Kronos has not raced since June and might need this race. Has got a tough number but is really good for this class and should be considered directly. 5 Hochthereitis Sox needs a defensive run and in case of fast pace he could definitely finish to victory here. 7 Uptothe Chapel is well drawn and would be interesting to follow if Lövgren reaches the front. 3 Digital Product has quite good pace.

6 Roofie attacked with 800 meter to go in the last run and was brave. With a better run he should have a good chance here. He is on the way up. 4 Holy Water finished really well behind our pick in the last run and is the main challenger here. 5 Önas Nougat beat our top duo in the last start after a perfect run behind the leader and an opening at the end. He is possible again here.
