9 Hope Maguire has scored two convincing wins in a row in Boden. He is a quick starter so this back row draw is a disadvantage. Nice task anyway. Top chance to win. 12 Electrical Eye Am finished strongly despite a poor number in the last race and was improved for a new trainer. Challenger. 1 Emerald galloped under attack in the last run and would otherwise have fought for victory. This driver is a big advantage. 2 Holland Boko never got a real chance in the last run. Is consistent and good and should reach a nice position with this number. Possible.
