7 Very Kronos has won twelve out of 19 starts and is really talented. He is one of the best horses of his year and should normally win this. Banker. 1 Toutre comes from victory. He chose the position outside of the leader with one lap to go and won easily. 2 Jula Extreme is versatile and has good ability. He is good both in sulky and ridden races. 6 Destiny Am is gifted too and finished well to third in the last run. Good place chance.

2 Moon Zappa qualified really well and scored a convincing win in the debut. She was second two starts back and will probably be hard to beat if she avoids a mistake. 8 Royal Tilly is strong but not reliable. He broke in the final turn in the last run probably on the way to victory. 5 Make My Day avoided a mistake in the last run and scored a good second spot. She has to be considered quite early here.

4 Gazza B.R. has won six out of twelve starts and comes from five wins in a row. He should have a good chance here. 9 Je t'Aime Explosiv is strong and has good capacity. He has started well for his new trainer and won the last run without being empty. 1 Herrera Boko wins often and two starts back he got locked in with plenty of energy left sixth up. He is ideally drawn this time. 2 Pyrolator comes from victory and will be driven by Torbjörn Jansson again. Place chance here.

2 Freddie Silvåkra has put in a couple of strong efforts so far. He was second in the last run and just closely defeated when he resumed from a spell. 1 **Espresso Doc** can open fast behind the gate. He won in the lead two starts back and was fourth in the same position in the last run. Early choice with this nice post. 9 **Definitif Launcher** has started well for the new trainer. Has scored three wins in five attempts. 8 **Forever Newport** has shown good form lately and is possible here despite this poor draw.

He is both strong and fast. 12 **Feather Sisu** can finish fast and has often met tough opponents. 4 **Vinder** is good for this class and will be driven by Björn Goop this time.

3 Magic Allybis has a good season last year and has won three out of the latest five races. He finished well to fourth in the V75 two starts back and is our pick here. 6 Hierro Boko is good for this class and an early choice in this company. He was unplaced two starts back but got locked in at the end. 4 Pecorino won in the last V75 race and looked really nice. Early contender this time. 7 Swift Success resumes from a spell. She scored three wins in six attempts last year. She should be followed.
