1 Bellfaks has galloped in the last two races and the form is a question mark. Is well drawn here and could be allowed to dictate the pace. Hard to beat in that case. 5 Tangen Haap never got a real chance after a quick finish in the last run. He is consistent and good. Will fight for victory. 8 Eldvin beat Tangen Haap in the last seasonal debut after a defensive run. Should be improved by that start and has to be considered. 9 Pydin is one of the best cold blood horses when he is at his best. Comes back after the winter break.
