4 Trix on Line showed already last year good skills and is interesting in this seasonal debut. Run a training race on Jägersro a short while ago and was first then after an early lead. Should be even better now. Top chance. 3 Upset Face has done everything right so far and scored three wins in a row. Is developing well. 5 Eightdaysaweek is an interesting guest. Has four wins in five starts but meets tougher opponents here. Early choice anyway.

5 Zima Axe has two wins in a row and looked splendid lately. Tricky number here but if she avoids a mistake she will fight for victory here. 6 Anna S.H. has met much tougher horses lately and done well. Easier this time and early contender. 1 Believe in Fate is ideally drawn and will try to lead this from start to finish. 9 Bernts Ulrika can finish fast and should not be overlooked.

6 Casino Brick has scored four wins and ten place in 18 starts and should be considered early in this company. The chances are not easy to predict though. Not a banker for us. 7 Henrik Greenwood has been improved a lot lately and is in good form. 9 Spring Alone is a quick starter and this back row draw is a handicap. She can finish fast with the right defensive run though. 1 Selected Face comes from a sensational win and is in great shape. Contender again with this nice number.

7 Sevilla is the best horse here and this long distance suits him. Will certainly get an offensive run by Lövgren and go for the lead. Top chance. 3 Kung Edward has not won for a while but is gifted and if he is at his best he will fight for a place here. 2 Kosmopolit du Gull is strong and this long distance is an advantage. 6 Tim Frontline is better than the latest results show.

2 Sobel Conway finished well from far behind in the last comeback race. Should be improved a lot by that start. Is better drawn than the main challengers. Our pick. 4 J.H.Mannerheim has met tough opponents lately. He scored his latest win after a good finish. Early choice. 5 Master Crowe is a lot better than the latest results show and should be considered early as well here. 7 Royal Ice will need this race after a layoff.

10 Mamba took over the lead after a while in the last run and scored a good second spot. Different number this time but the horse has good pace and should have a good chance anyway. 2 Capture finished really well in the last run and was close to win. Better number this time and early choice here. 6 Gideon H.Renka makes his debut for a new trainer and the chances are not easy to predict here. He has to be followed though. 5 Marjons Ivory is more strong than fast and quick pace would be an advantage here.
