9 Orlando Triss challenged Fighter Bax and was close to cause a big upset in the last V75 race. He is in great shape and likes the long distance. Much easier opponents today. 3 **Upstream** has been up and down for the new trainer but if he is at his best he should have a good chance to lead this throughout. The distance is a question mark though. 7 **Noel Face** has shown good form this spring without winning. Is driven by Emilia Leo again. Possible. 8 **Ippon Futura** run a nice final lap in the last run and is on the way up.

11 Spang Viktor won five races last year but did not convince at all after that. The debut for his new trainer could not have ended better and he is good for this class. Good chance without a mistake. 3 **Perflex** was strong in the last start after a mistake and a tough run outside of the leader. Will probably get an offensive run together with Rikard N Skoglund. 7 **B.W.Mimmi** has been tricky and galloped a lot lately. Scored a very convincing victory in the seasonal debut though. Outsider. 5 **Sundbo Rymling** got locked in behind the leader in the last run and showed good form.

Ridden race. 7 Cobourg Hanover scored many wins last season but got ill last autumn. Won the seasonal debut and was good in the race after too on Solvalla. Was not fit again in the last run but is the horse to beat if he lives up to his capacity. 6 VästerboFeelsoFine is experienced under the saddle and comes from a good effort on Solänget. Challenger. 5 Defi's Victory is good for this class and has been on the way up. Was fourth on Solvalla and is an outsider. 4 Livi Mistress had a good season last year but the form is a question mark now.

1 Minelli has been improved this year together with new driver Magnus A Djuse and comes from a good second spot behind Rus Can against tough opponents. Nice number. 9 Björlifant has not raced this year but uses to meet tough horses and is gifted. Ulf Ohlsson directly in this seasonal debut. 7 Björs Viking is fast and likes the short distance. He makes his comeback after the flop in the last run. 6 Järvsö Tor comes from a strong win after a tough run outside of the leader. Fast pace would be an advantage.

14 Pinto Bob is tough and strong and he put in a good effort outside of the leader in the seasonal debut. Galloped in the last V75 race but easier now and hard to beat without a mistake. 9 Whitsun Madonna was not empty in the last test against better opponents. She has scored a couple of splendid wins on her home track after fast finishes. 12 May Lady Lear is better than the latest results show and in the last run she was not empty when she galloped on the home stretch. 15 Homemade Bourbon has good capacity but is often a bit too eager. Prefers to attack from behind and this number suits the horse.

3 Peat Chimney scored three wins in a row at the end of last season. Run without shoes and was driven by Ulf Ohlsson then. Faces nice conditions in this seasonal debut and should have top chance together with Ohlsson. 5 Dillon Power is a quick starter but prefers the short distance and could get a defensive run this time. Is in good shape. 6 Global Well Off has been heavily matched lately without winning. Is good for this class. 4 Miss Hugloveyou was beaten in the lead in the last run and can do better. She has not been as good as in a couple of runs last season. Just an outsider.
