1 Höstbo Elis is interesting over these conditions. He is the favorite to find the lead here and could be hard to beat if he is allowed to determine the pace. 5 K.A.Priol is a bit up and down. He has good skills though and if he is at his best he is both strong and fast. Early choice in this company. 12 Mjölner Herkules found a late opening in the last run and finished well. Two starts back he showed good speed too. He uses to meet tougher opponents than these. Early choice.
