5 **Aithusa** faces nice conditions here and the gelding won this race last year ridden by today's Lea Olsen. Our pick. 7

**Momentum** faces tough weight conditions but uses to meet much better opponents too. Is ridden by gifted Elliot Öhgren and an early challenger. 6 **Label** has done alright so far this year over these conditions and is certainly improved now. Should not be discounted. 8 **Half Tiger** comes from a comfortable and convincing win over this 2400 dt. Possible with a similar effort.

4 **Maid** was second in the debut but clearly defeated by promising **Nocentsinkentucky**. Should be improved by that run and is our pick in Derby Juvenile. 6 **Easy Morris** won the debut on his home track with 5.5 easy lengths. Never had a chance after that though on the Bro Park turf. The Jägersro dirt now again and early choice. 1 **Outragusandangerus** did alright in the debut a couple of lengths behind a couple of promising horses. Possible challenger but has to travel far and faces different conditions now. 2 **Grey Flash** was the favorite in the debut on Klampenborg but did not live up to the expectations. Place chance.

2 Appelina put in a good effort in Pramms and scored a comfortable victory after that in Bloomers' Vase. Nice task here and the top filly will be very hard to beat. Top chance. 5 Marta was just closely defeated by Appelina in the seasonal debut and prefers to compete on her home track. Main challenger but will find it hard to beat our pick. 1 Miss Maybach has been defeated by both Appelina and Marta this year. Is well drawn though and could find the lead. In the mix. 4 Bearfoot is not bad but faces tough horses here. Place chance.

7 I Kirk comes from two convincing wins on his home track. He is a bit better than his opponents in this Zawawi Cup and should win this easily. Bank. 5 Breakdancer could never threaten I Kirk in the last run but scored a good second spot. Is chasing a similar result here. 4 Brownie is becoming a short distance runner and did well two starts back in Vårsprinten on Bro Park. Place chance. 1 Kashgar can finish fast and quick pace would suit him.

11 Es Raco has been improved with blinkers and has scored three impressive wins. Is poorly drawn but will certainly get an offensive run here and win this comfortably. Banker. 10 Cash beat El Raco\*\* earlier this year but has not developed as fast as his rival after that. Main challenger anyway. 2 Sir Churchill has not lived up to the high expectations. Is ridden with blinkers today and could cause a surprise. \*\*1 Filia Kalejs\* is in quite good shape and this number is nice. Place chance.

1 Nipozzano beat Irish Trilogy very closely in Voterlöpningen after a very quick finish. Easier opponents in this Malmö Stads Pris but this number is tricky. Not a banker for us. 5 Candyflower gave up at the end in Swedish 1000 Guineas. Came in third and did alright anyway. Should be improved now. 9 Prince Charming has scored three strong wins and is ridden by top jockey Eduardo Pedroza. Possible challenge. 6 Hot Chocolate can do better than in the last run and especially on the Jägersro dirt. Outsider.

8 Sunlight did alright in the last Bro Park race. Was a lot better before that in Malmö after a comfortable win over today's conditions. Our pick. 4 Tinolo was second in the last run and clearly defeated by top stallion Red Cactus. Easier opponents here in this Derby Consolation race. Early choice. 7 Man In The Moon did alright in the last run a couple of lengths behind stable companion Realize Rock. Is possible but this longer distance is a question mark. 3 Zoo Fun was improved in the last run without blinkers. Should not be discounted.

8 Suspicious Mind scored an easy win in the comeback after a successful period in Dubai last winter. Early contender in this Summer Cup with a similar performance. 3 Gold Tyranny was second and clearly defeated by Suspicious Mind in the last run. Ordinary jockey today is a big advantage. The gelding should have a good chance to take revenge here. 2 Master Bloom comes from victory after a couple of mediocre efforts. Early choice here despite a couple of tough opponents. 4 Arctic Waltz got a tough journey in the last start. Should not be overlooked with a more defensive run.

9 Red Cactus was simply the best in the last Derby Trial. Faces nice conditions in this Swedish Derby and the US import will be the favorite here. 7 Irish Trilogy did well in the last start and was just closely defeated in an overpaced Voter race. Early contender even if we are not sure if the horse stands this distance. 2 Two Eyed Jack comes from a close but convincing win in Skåningarnas Derbytest. This longer distance could suit the horse. The trainer uses to prepare his horses really well before bigger races. 3 Privilegiado scored a nice win in the Norwegian 2000 Guineas but did not convince in Voter as the favorite. Contender anyway.

9 Red Hot Chili never had a real chance in Stockholms Stora Pris. Was really good in the race before though and came in second just closely defeated in Pramms. Early choice here with a similar effort. 3 Be My Academy showed good form in the last run and is possible in case of quick pace. 2 Couples comes from a nice victory. In Spring Mile he was defeated with four lengths by Red Hot Chili though and he must be improved to be able to challenge. 7 Buddy Bob was improved in the last start but he still has a lot to prove on this surface.
