10 Rejah resumes from a spell but should have a good chance directly. She doesn't always trot well but owns good strength and faces quite easy opponents here. 6 Ladybluechip has not been at her best lately. She has quite good pace for this field though. Early choice. 5 Borups Rally has not won yet after 22 starts but he is not bad and has to be considered in this company. 9 King Moneyfee is consistent and good and will soon score a victory.

2 Ragga Loss can open fast and is our favorite to find the lead here. In that position he should be considered early. He was brave in the lead in the last run. 3 Devs Dragon has galloped in the last three runs. He is quite reliable anyway and should be followed in a race like this. Has both good speed and strength. 10 Nemo Rolls scored a close but comfortable win from behind the leader in the last run and is in good shape. 1 Red River Broline uses to meet tougher opponents than these. Should not be overlooked.
