1 Mellby Helios scored three wins this spring and won again in the last comeback race. Is really good for this class and has done everything right so far. Debut behind the gate here but should have top chance. 4 Joe Frazier Boko beat good opponents in the lead on Solvalla two starts back. Resumes from a spell and the form is a question mark. Is good enough to challenge the favorite. 10 Mogge Hall scored a good win in the lead two starts back. This number is a disadvantage. Needs some racing luck. Outsider. 2 Ailihphilia won together with this driver two starts back and she is good for this class. Outsider here.

6 Champion Chip won in the lead in Bollnäs and all three wins this year were scored under the saddle. Likes this distance and will probably get an offensive journey. Hard to beat. 7 K.B.Millanson has got a new trainer again and been improved. She was brave in the last run after a tough journey. Likes this short distance and is in good shape. 3 Je Reve d'Amour is good both under the saddle and in sulky races. Found a late opening in the last run and was not empty. Fast pace would be an advantage. 2 Bravo Power Dirt scored a couple of nice wins for the new trainer but failed in the last race. The chances are not easy to predict. Outsider.

Wide open race. 3 Jilla May was second two starts back after a nice journey. She should be able to get a run in the front with this number. Our pick. 12 Dessert scored a nice win two starts back despite a very tough final lap. Faces tough conditions again here but is an early contender in this company. 9 Oui Cherie finished to victory two starts back and has met tougher opponents lately. Back row draw here but can finish fast again with the right journey. 4 Rolles Dröm won from outside the leader in the last race on Eskilstuna and showed the right attitude.

6 Monet Augustinu has been racing in Lithuania and Estonia. He is very experienced compared to his Swedish rivals. Has 45 wins in 79 starts and seems to have the right attitude. 1 Bottnas Felicia was unlucky in the debut for Mattias Djuse in the last run and found a very late opening. Looked nice though and chases revenge here. 11 Magneto has shown good form after a pause. Home track. Should not be overlooked. 9 Bear My Dream run in the lead in the last start but was defeated by a horse who had got a nice defensive journey.

2 Spotlight Brodde was defeated in the lead in the last run and was already defeated when he galloped. Better form now and our winner in the front. 9 Enge Barack got a defensive run in the last start and did alright against better opponents. He is chasing the first win of the year. Easier horses this time. 3 My Open Art won in the lead two starts back on Eskilstuna. Will get a nice run with this number and should not be underestimated. 11 Right For Glory scored the latest win in the lead and this back row draw is a big handicap this time.

6 Sheeza Trixie scored a nice win two starts back in a new record and beat a good opponent. She is three years old and faces older horses again but looks nice. Good chance. 2 Imilie Boko avoided a mistake in the last run and scored a good win. Tougher opponents now but she should be considered early. 11 Green Mamba has scored a couple of nice victories in Sweden. Attacked already with one lap to go in the last run but won very easily. 10 Global Avenue has met tough three year old horses and is better than the latest results show.
